

EXTENDED SERIES TERM FOR NIBOR-FRA FUTURES

Nasdaq Fixed Income Nordic has decided to extend the Series Term for 3-Months NIBOR Futures from twenty-four (24) months to thirty-six (36) months. Contract specifications and Quotation list have been updated accordingly (<http://business.nasdaq.com/list/Rules-and-Regulations/European-rules/common/derivatives-rules/index.html>).

Listing of four additional Futures Series

The normal listing procedure is that one Futures Series shall be listed on each first listing day. As previously communicated the listing of Series 3NIBFRAZ9 will take place on 18th of December 2017.

To extend the Series Term from 24 to 36 months, four additional Futures Series will also be listed with clearing date from 2017-12-18:

- 3NIBFRAH0
- 3NIBFRAM0
- 3NIBFRAU0
- 3NIBFRAZ0
