

### **Examples of information concerning information about benefits for senior executives**

In the year 2002 a working committee within the Swedish Industry and Commerce Stock Exchange Committee produced an example with guidelines in order to facilitate the interpretation and application of the Swedish Industry and Commerce Stock Exchange Committee's Rules concerning information about benefits for senior executives (2002). As a consequence of change legislation this set of rules has been removed from the Exchange rules. The Exchange still recommends that a company finds guidance in this example in order to keep the high standard in this important area. An English version of the example is available at [www.naringslivetsborskommitte.se](http://www.naringslivetsborskommitte.se).
