NEWS FROM NASDAQ OMX

Capital Market Day in NY and SME conference in Brussels

One of our key ambitions is to create opportunities for visibility and investor targeting for our listed companies. For the third-consecutive year, NASDAQ OMX together with SEB Enskilda, are pleased to host the Nordic Capital Market Day in New York at the NASDAQ MarketSite in Times Square. On May 20, we will bring 15 companies together to target U.S. investors and build relationships. The day is organized as a company fair with one-to-one meetings and presentations. Please visit the [program](#) for more details.

Last week, we participated in the SME Finance Forum in Brussels. The forum was hosted by European Commission Vice President and Commissioner in charge of Industry and Entrepreneurship Antonio Tajani. The theme for the forum was based on how to grow more SMEs into market leaders or even world leaders.

All the best,

Jenny Rosberg
Senior Vice President
NASDAQ OMX

P.S. Please feel free to reach out to me and my team at any time.
