To the Companies and Certified Advisors at First North Finland, Sweden and Iceland

Notification of changes to the First North Rulebook

NASDAQ OMX Nordic (the “Exchange”) has decided to make changes in Appendix L of the Exchange’s First North Rulebook (the “Rulebook”): “Disclosure rules applicable for First North Premier Segment” and Supplement A - Iceland. The changes in Appendix L are a consequence of similar changes being made to the Exchange’s regulated market in Sweden and are only applicable to companies listed on NASDAQ OMX Stockholm.

The changes to Supplement A – Iceland relates to the introduction of a Disciplinary Committee at NASDAQ OMX Iceland.

Furthermore, a small change to the sanctions terminology is made as a consequence of the Exchange’s work to further enhance the harmonized application of the respective rules of the Exchange. It is not expected that this will change anything in practice.

The changes will enter into force on 1 January 2014. It follows from the Rulebook that information regarding changes to the Rules shall be sent to the companies and be published on the Exchange’s website at the latest one month before entering into force.

The changes described above are set out in tracked changes published on the Exchanges’ website under: http://www.nasdaqomx.com/nordicrules
