COLLATERAL

The Clearing House is, in its capacity as a clearing organisation, obligated by law to assure that collateral is provided to secure the obligations of Customers towards the Clearing House and that such collateral is maintained as long as the obligations remain.

The Customer shall provide collateral to the Member for the obligations of the Customer under Contracts Recorded on the above stated Integrated Trading and Clearing Account (so-called indirect provision of collateral). Collateral may be provided in any manner set forth in the Collateral List of the Clearing Rules in effect from time to time.

Where collateral is provided through the pledge of property and where such pledge to the Member does not occur in another manner, e.g. under special pledge documents or securities account agreements, the above alternative Pledge to Member shall be used.

PLEDGES TO MEMBERS (where applicable)

All financial instruments which may, from time to time, be deposited or recorded on the above stated securities account with the Member, all financial instruments which may, from time to time, be recorded on the above account maintained with the (CSD) and the entire contents of the above stated account with the Member are hereby pledged to the Member in accordance with the terms and conditions on the following page.

GENERAL PLEDGE

Any and all of the Customer's claims against the Clearing House as a result of Contracts which are Recorded or which may be Recorded on the above stated Integrated Trading and Clearing Account with the Clearing House are hereby pledged with first priority rights to the Clearing House and with second priority rights to the Member in accordance with the terms and conditions set forth on the following page.

ACCEPTANCE, ETC.

The Customer hereby agrees to be bound by and obligated towards both the Clearing House and the Member by the Clearing Rules in the form in effect from time to time as well as the terms and conditions of this Customer Agreement including the terms and conditions set forth on the following page and, where applicable, supplementary provisions issued by the Member.

The Customer is hereby notified of the fact that the Clearing Rules contain provisions which limit the Clearing House's liability, grant the Clearing House the right to take extraordinary measures in certain situations in order to maintain properly functioning clearing activities and which grant the Clearing House the right to make modifications and amendments to the Clearing Rules which may apply to Contracts already entered into. The Clearing Rules also contain provisions regarding fees and compensation in the event of late Settlement and Delivery. In addition, the Customer shall note that the Clearing House, as set forth in the Clearing Rules, shall not be liable for direct or indirect damages related to the use of market information from the Clearing House.

The Customer is aware of the fact that certain Instruments possess special qualities and that trading in such Instruments may involve special risks. The Customer agrees to the forwarding of a copy of this Customer Agreement to the Clearing House and agrees to the disclosure of necessary information by the Member to the Clearing House upon control by the Clearing House.

Terms and Conditions

- 1.** Instructions by the Customer to the Member to conduct Transactions in Instruments provided by the Clearing House shall be carried out in accordance with the Clearing Rules in the form in effect at any given time **and** the supplementary provisions issued by the Member as well as the Member's routines and conditions for trading financial instruments which may be in effect from time to time. Modifications and amendments to the Clearing Rules shall, where the Clearing House deems it necessary, be provided to the Customer through the Member.
- 2.** The account number with the Clearing House which the Member shall use when representing the Customer vis-à-vis the Clearing House under this Customer Agreement is that which is set forth on the preceding page.
- 3.** Fees shall be payable for Transactions in Instruments provided by the Clearing House and for the Member's assistance in such transactions in accordance with those principles which the Clearing House or the Member may apply from time to time.
- 4.** Collateral shall be provided, when so demanded by the Member, at the time of Transactions or requests for Registration.

The Member shall, unless considered unnecessary or other routines have been agreed, inform the Customer of the first collateral requirement for the relevant Contract as a result of Registration and shall notify the Customer at least once weekly of the latest notified Margin Requirement for the account to the extent it is a negative value.
- 5.** The Member is hereby irrevocably authorised to debit or credit the transaction account on the relevant Settlement Day as a result of Contracts Recorded on such account.

The Customer shall ensure that sufficient funds are available in the transaction account on Settlement Day.
- 6.** The general pledge under this Customer Agreement shall apply firstly to any and all obligations of the Customer towards the Clearing House under Contracts Recorded on the account with the Clearing House stated on the preceding page and thereafter for obligations under Contracts which are Recorded on the Customer's other accounts with the Clearing House opened through the Member. The general pledge shall not be utilised in such a manner so as to override the requirements of Article 39 of EMIR.
- 7.** Property pledged by the Customer to the Member under this agreement shall constitute security for the obligations of the Customer to indemnify the Member for any sums the Member may be liable to pay to the Clearing House under the Clearing Rules in effect from time to time as a result of Contracts Recorded on the Customer's account with the Clearing House.

The Member shall have the right to deduct payment from pledged property for costs and services associated with the acquisition, maintenance, custody and sale of the pledged property.

Income and all other rights based on pledged property shall be covered by the pledge and shall constitute pledged property.
- 8.** The Member shall have the right to transfer pledged financial instruments or cash to the pledged securities accounts, pledged accounts or pledged accounts maintained with the CSD, indicated on the preceding page, for whom the Member is able to take registry measures or equivalent from the Customer's other securities accounts and accounts with the Member as well as from any account maintained by the Customer with the CSD. However, such transfer may only take place where no restriction is imposed in respect of the Customer's right to use the financial instruments or cash in relation to other person that the Member or where a transfer would not be prohibited under relevant law.
- 9.** The Member shall hold the pledged property in safe custody and, in respect of pledged financial instrument, separate the instruments from its own assets. However, the Member and the Customer may agree in a separate agreement that the Member may use financial instruments pledged by the Customer or, in exchange for a fee, take certain custodial actions in relation to the pledged property.
- 10.** The Member shall proceed with due caution and, where such is possible and can, in the opinion of the Member, occur without prejudice to the Member, shall notify the pledgor prior to realisation upon the pledged property. The Member shall decide in which order the pledged property may be realised upon. Pledged securities may therefore be sold in an order other than on the marketplace where the security is traded. If the pledge consists of funds on account with the Member, the Member shall be entitled to immediately exact payment through withdrawal of the amount due from the account.
- 11.** The Clearing House shall, to the extent possible, make use of collateral under the general pledge to the Clearing House before realising upon other collateral or prior to invoking any payment obligations of the Member.
- 12.** The Member or its designee is hereby authorised to sign on behalf of the Customer where required in order to realise upon pledged property or in order to otherwise protect or exercise its rights regarding the pledged property. Such authorisation may not be revoked by the Customer during the term of the pledge.
- 13.** All financial instruments which are transferred by the Customer to the securities account set forth on the reverse side or which are recorded on the account maintained with the CSD set forth on the reverse side shall be deliverable and freely disposable.

The Customer shall not dispose of financial instruments or cash pledged under this agreement without the consent of the Member in each individual case.
- 14.** The Customer shall indemnify the Member for any obligation, claim, expense or cost which the Member may incur **either** as a result of, or in connection with, this Customer Agreement or other measure taken by the Member under this agreement, **or** as a result of the Customer's breach of the provisions contained in the Clearing Rules or of the terms and conditions contained in this Customer Agreement.
- 15.** As security for the claims of the Member against the Customer (e.g. where the Customer has not pledged sufficient collateral for a Contract Recorded on the Customer's account), the Member shall be entitled, without consulting the Customer and in addition to realising upon pledged collateral, to close-out Customer Contracts and take other actions to cure deficiencies with regard to collateral to the extent the Member deems it necessary in order to hold the Member harmless. The Member shall have the right, on behalf of the Customer, to, inter alia, purchase and sell Contracts and terminate Contracts prior to expiry.
- 16.** The Member shall not be liable for the Clearing House's obligations towards the Customer as a result of Contracts Recorded on the Customer's account with the Clearing House.
- 17.** Where the Member and the Customer enter into an agreement regarding supplementary provisions to this Customer Agreement, such provisions may not limit the obligations of the Customer towards the Clearing House under this Customer Agreement or the Clearing Rules in the form in effect from time to time.
- 18.** The Member shall not be liable for damage which results from Swedish or foreign legislation, the decisions of Swedish or foreign government agencies, acts of war, electric power disruptions, telecommunications disruptions, fire, water damage, strikes, blockades, boycotts, lockouts or other similar circumstances. The reservation regarding strikes, blockades, boycotts and lockouts shall apply even where the Member itself is the object of such action or causes such action to be taken.

The Member shall not be liable for damage which arises as a result of other causes where the Member has acted with normal caution. The Member shall not be liable for consequential damages.

The Member shall not be liable for damages caused by parties contracted by the Member to perform services where the Member has exercised due care in the retaining of such parties or where the party was referred to the Member by the Customer. The Member shall not be liable for damage incurred by the Customer or third party as a result of limitations on the right of disposal which may be applied against the Member regarding such financial instruments.

Where the Member is hindered entirely or in part from executing purchase or sale requests regarding financial instruments as a result of circumstances set forth in the first paragraph, the performance shall be postponed until the cause for delay is removed. Where the Member as a result of such a circumstance is prevented from making or receiving payment, neither the Member nor the Customer shall be liable for penalty interest.
- 19.** The interpretation and application of this Customer Agreement shall be governed by the laws of Sweden.

Any dispute between the Customer and the Member arising under this Customer Agreement shall be decided by a Swedish court of law and, in the first instance, by the Stockholm District Court.

However, in case of a dispute between a Customer domiciled in another country than Sweden and a Member authorised in such country or providing its services there through a branch office, such dispute may be decided by a court of law in that country.
